

Morphosis Capital

Morphosis Capital – is a powerful bridge between local entrepreneurship and global standards. We are a “glocal” team with operational expertise. We strive to make the entrepreneurs’ ambition for expansion a reality. We partner with strong entrepreneurs who have a vision for their businesses to become regional and national champions. We apply our operational expertise and network in addition to deployed capital, in order to unlock growth for SMEs with high potential to become success stories. We look for businesses in high growth sectors such as consumer, niche healthcare, technology and B2B services with EBITDA of 500k+ EUR, in which we can invest between 5 to 15 million EUR.
